

2017 Tax Payments Due

January 31, 2018 is the deadline to pay all 2017 property taxes. Taxes are delinquent on February 1 of each year, with penalties accruing. Property owners in Real County generally receive two Tax Statements, one from a school district and the other from the Real County Assessor/Collector's office. In Real County, our taxing entities are Real County, City of Camp Wood, Leakey ISD, Nueces Canyon ISD, Uvalde ISD, Utopia ISD, Southwest Texas Jr. College (SWTJC), Real-Edwards Water Dist., & Utopia-Vanderpool ESD. Property owners may pay at the Real County Courthouse for Leakey & Nueces Canyon schools as well as for the remainder of County & other entities. Uvalde & Utopia schools are paid elsewhere. Payments may be check or money order by mail or walk-in delivery. Credit cards are now accepted in-house & online through Certified Payments. Search online for www.realcad.org, go to Pay Taxes. For the County side of collections go to <http://co.real.tx.us>, and open the Assessor/Collector page. Owners will need to know their Property ID number & the amount of taxes due. Please fill in all blanks and follow the prompts. Certified Payments uses a 3% service fee. When taxes become delinquent, the accounts are directed to McCreary Vasselka Bragg & Allen, who generate delinquent notices.
